— ABOUT US

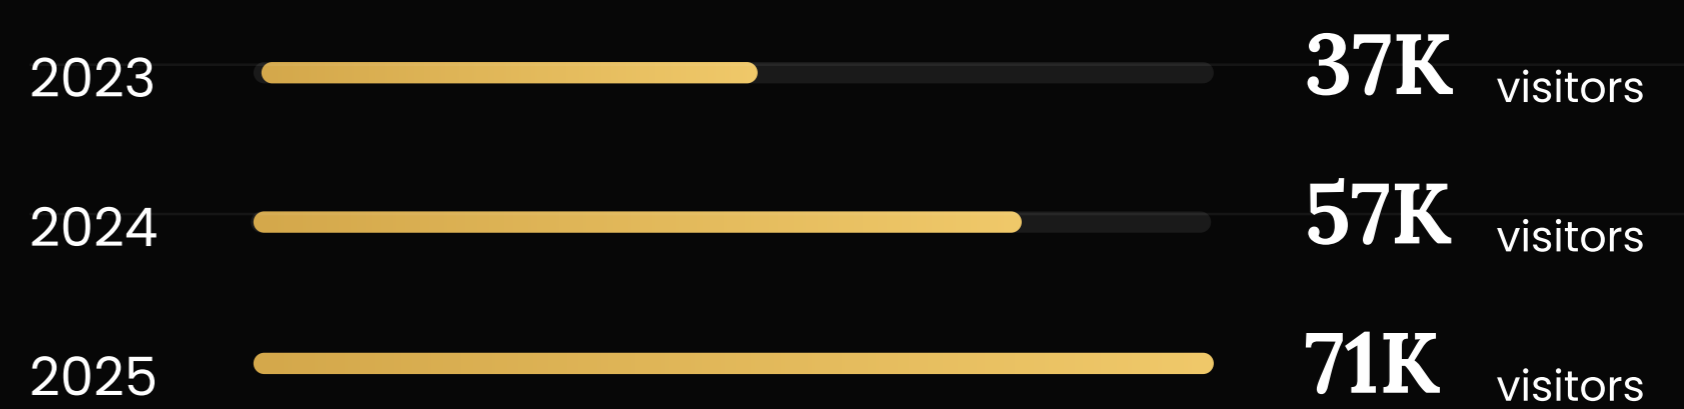

Transform visitor destinations into unforgettable experiences

China Light Festival creates large-scale lantern exhibitions that captivate audiences and drive visitor growth. With roots in Zigong — the birthplace of lantern artistry — and 17 years of European experience, we deliver complete, turn-key light festivals tailored to your goals.

*"We're not just a supplier.
We're your event partner."*

— PROVEN IMPACT

Les Terres de Nataé — Visitor Growth

TOTAL GROWTH

+92% visitor increase over 3 years

*"Built on craftsmanship, driven by expertise —
every installation is a work of art."*

IN-HOUSE ARTISANS · DESIGNERS · ENGINEERS · PROJECT MANAGERS

A world of themes. One trusted partner.

— WHAT WE CREATE

Every theme, custom-built for your venue

From prehistoric creatures to endangered species, from fairy-tale worlds to interactive light art. We work with partners in Germany, Belgium, France and beyond.

- | | |
|---------------------|-------------------|
| Lantern Festivals | Christmas Lights |
| Prehistoric Animals | Wildlife & Nature |
| Fantasy Worlds | Marine Life |
| Interactive Art | Conservation |

— WHAT WE HANDLE

Complete end-to-end management

We collaborate with you at every step

- Concept & theme development
- Custom display design & site planning
- In-house manufacturing & quality control
- International logistics & shipping
- On-site installation & maintenance
- De-installation & site restoration

Let's create your next signature event.

Whether a seasonal highlight or large-scale attraction — our team is ready to collaborate, tailored to your venue, audience and goals.

Let's share the light. ✦
